Student Visa Declaration Form

A declaration for student visa applicants if another person is applying online on their behalf

Using this form

Use this form if you have authorised another person to submit an online application on your behalf for a student visa, a reconsideration to decline a student visa or a variation of conditions of a student visa. You must sign Section A to show you understand and agree to the statements about your application and any visa you may be granted.

You must sign EITHER Section B or Section C to indicate you have given someone else the authority to submit the application online for you:

- Use Section B if the person submitting the form is a licensed immigration adviser or a person exempt from licensing (such as a lawyer) and that person will continue to act on your behalf during the processing of the application
- Use Section C if the person submitting the form is only providing assistance to you by recording your information on the online form and submitting it for you.

Section A: Student Visa Declaration

I agree:

- to inform Immigration New Zealand of any relevant facts or change of circumstances that may affect the decision on this application for a visa (including because I may no longer meet the criteria for the visa for which I am applying) or affect the decision to grant entry permission based on the visa for which I am applying
- to leave New Zealand before my visa expires
- that if I am not entitled to free health care in New Zealand, I will pay for any health care or medical assistance I may require in New Zealand
- my information may also be anonymised and used for survey or research purposes

I understand that:

- if I remain in New Zealand after my visa has expired, I may be liable for deportation
- if I have received immigration advice from an immigration adviser and if that immigration adviser is not licensed under the Immigration Advisers Licensing Act 2007 when they should be, Immigration New Zealand will refuse to accept or decline my application
- Immigration New Zealand may provide information about my entitlement to work to potential employers via the online VisaView system
- I may be required to provide additional information, including attending a medical examination and providing my passport to Immigration New Zealand, before my application is decided. If additional information is required and I do not provide it within the timeframes provided, my application may be declined. Any additional information requested will form part of my application
- if I am granted a visa with the condition I hold acceptable insurance, to arrange and hold insurance my education provider considers acceptable, from the period of my enrolment until the expiry of my student visa, unless I depart New Zealand earlier
- if I am granted a student visa with the condition that I am accompanied by a legal guardian, I agree to live with my legal guardian. I understand that both I and my legal guardian could be made liable for deportation if this condition is not met
- if I am granted a visa with the condition I hold acceptable insurance, I may become liable for deportation if I do not hold insurance
- Immigration New Zealand may advise the education provider(s) named in my student visa application, of the fact of any false, misleading or fraudulent information submitted (including but not limited to qualifications, work experience, financial documentation, enrolment information and undeclared representatives and/or where relevant, details of the particular false, misleading or fraudulent information submitted).

I authorise:

- Immigration New Zealand to provide information about my health and my immigration status to any health service agency
- any health service agency to provide information about my health to Immigration New Zealand
- Immigration New Zealand to make any necessary enquiries about information on this form and/or accompanying documentation
- any agency whether in New Zealand or overseas, including but not limited to border or immigration agencies, education providers, financial institutions, foreign embassies, government authorities, healthcare providers, insurance providers, police or other law enforcement agencies, that holds information (including personal information) related to information on this application form and/or accompanying documentation to disclose that information to Immigration New Zealand or the Ministry of Business, Innovation and Employment, so that they can:
 - assess my eligibility to apply for a visa, and
 - assess my visa application, and make decision about entry to New Zealand, and
 - improve Immigration New Zealand's services and its administration of the Immigration Act 2009, including internal quality assurance and audit and/or review or decisions, and
 - communicate with me (or my authorised contact person), including about this application and any associated documents and matters relating to my immigration status
- Immigration New Zealand to provide information about my immigration status to my past, present or future education provider, including via the online VisaView system
- Immigration New Zealand to provide information about the status of my student visa application to the education provider(s) named in this application

I will comply with the conditions of my visa

If my application is approved, I understand that I must comply with all the conditions of that visa and leave New Zealand on or before the expiry date of that visa. If I remain in New Zealand after my visa has expired, I may be deported by Immigration New Zealand.

If I am granted a limited visa and I remain in New Zealand after my visa has expired, I may be deported by Immigration New Zealand without the right of appeal.

Student visa conditions include (but are not limited to):

- that I have the required funds for my stay;
- that I have pre-paid flights or the ability to purchase onward travel; and
- that I attend my course of study and make satisfactory progress in my study.

If I am granted a visa with the condition I hold acceptable insurance, I may be required to provide evidence that I held acceptable insurance while in New Zealand when applying for further visas.

The information I provide is true, correct and complete

I confirm that all the information I have provided is true and correct, and that I have provided all the necessary documents. I understand that information provided in the online form by another person on my behalf is considered to be information provided by me.

I understand that if false or misleading information is submitted, my application may be declined without further warning. I may be denied entry to New Zealand or made liable for deportation. If my visa has already been approved it may be cancelled. It is an offence under the Immigration Act 2009 to provide false or misleading information in relation to a visa application, and I may be prosecuted.
